SECTION 1. OVERVIEW

This publication has been prepared to provide an overview of job classifications, salaries and non-union leave benefits for employees working for the Town of Brookline, exclusive of the school department and employees on the department head pay plan.

The Town of Brookline's ability to set and establish a pay and classification plan arises from Section 108A of Chapter 41 of the Massachusetts General Laws. That law specifically permits the Town to create a classification plan which classifies positions into groups and classes doing substantially similar work or having substantially equal responsibilities. The law also gives the Town the ability to make a pay plan establishing minimum and maximum salaries to be paid to employees in the positions included in such classification plan.

The Town of Brookline, through Town Meeting, has given this authority to Human Resources Board and Town Administrator as recommended by the Human Resources Director. The Town of Brookline also has active unions which are duly established under the authority of Massachusetts General laws Chapter 150E and which represent the majority of employees working for the Town of Brookline. The Town recognizes and values the various collective bargaining units and understands it has collective bargaining responsibilities under Chapter 150E regarding the terms and conditions of employment. This document does not alter or amend those collective bargaining agreements nor does it address the underlying labor law established under Chapter 150E. If there are any differences between this summary and the bargaining agreements, the provisions of the bargaining agreement prevail.

SECTION 2. EMPLOYEE DEFINITIONS

The Plan shall be in written format and copies shall be available in the Human Resources Office for review by the public at reasonable times during normal business hours. Only job titles specified in the Classification and Pay Plan, or abbreviations approved by the Human Resources Director, shall be used for all official purposes.

The Classification and Pay Plan may be amended by additions, changes or deletions by the Human Resources Director with approval of the Human Resources Board and the Town Administrator.

Any changes in the Classification and Pay Plan which require expenditure of Town funds shall not be implemented until such funds have been appropriated by Town Meeting, except in emergency cases with the approval of the Board of Selectmen and the Advisory Committee.

Employees may request changes to the Classification and Pay Plan by written request to the Human Resources Director. In such cases the Human Resources Director shall meet with the employees to discuss the requests. The Human Resources Director shall advise the Human Resources Board of all requests denied by the Director and the reasons therefor. The Human Resources Board may request reconsideration if deemed appropriate.

No person shall be newly appointed, promoted, employed or paid as an employee in any position subject to the provisions of this bylaw except for short periods of emergency service unless such position, on a case by case basis, has been reviewed by the Human Resources Director and a determination made that the position is properly classified and graded.

SECTION 19. AMENDMENT OF THE PLANS

Executive management and an employee may request a reclassification of a position or the adoption of a new position by making a petition for review by the Human Resources Department for consideration by the Human Resources Board by signed petition on or before November 1.

When such request is received the Human Resources Director will review the request with the petitioner and may approve or deny such request. Any approved request shall be presented to the Human Resources Board who shall meet and confer with the petitioners on such proposed amendments, of which meeting the petitioners and the heads of the departments affected shall be given three (3) days' written notice. The Human Resources Board may also, from time to time on its own motion, hold a meeting to consider any proposed amendment in which connection three (3) days' written notice shall also be given to interested parties. The meetings shall be conducted in such a manner as to provide opportunity for full discussions of issues and a detailed exchange of views with employee spokesmen whom the Human Resources Board finds to be properly representative of the groups for whom they purport to speak.

The Human Resources Board shall file with the Selectmen a report of its recommendations on all proposed amendments to the Classification and Pay Plans, except those submitted through the collective bargaining process. Such report shall indicate whether or not an agreement was reached with the employees concerned. A notice of the actions taken by the Human Resources Board will be forwarded to the petitioners, if any, and to the heads of the departments affected, after the report is filed with the Selectmen. On issues where an agreement is not reached prior to the above deadline, the Human Resources Board shall file with the Selectmen a supplementary report containing its commendations, if any.

The Human Resources Board's recommendations provided for in this section shall be made only by an affirmative vote of a majority of its members.

SECTION 20. CONTINUING REVIEW

The Human Resources Board shall cause to be made such studies of pay rates in effect in comparable positions outside the service of the Town as it may deem appropriate and shall notify the Selectmen when in its opinion need for over-all adjustment in the Pay Plan exists. It shall recommend such amendments to the Classification and Pay Plan, and other provisions for administering such plans.
